Do you
want
some
answer,
what
is this?

GUESS!

**YES,
IT IS AN
APPLICATION!**

FOR WHAT?

**TO BE
YOUR COLLEAGUE
AND FRIEND,
AS A GRAPHIC
DESIGNER!**

TOO FAST? (Sorry)

Slower!

No, it's good!

MY STORY

I am **László Báthori** (soon 26) from **Budapest, Hungary**.

I am **currently** working as a **3D visual graphic designer**, at New Edge event company. I feel me a little stucked into this job, so I did a plan to moving abroad, and **get more experience**, be more experienced in life. Because of this reason, **I made this portfolio, to get your interest, to work for you/ with you** on awesome projects, and learn from each other. I truly believe that it is a walkable way.

My thought is, that if you would like to know how I work, you can easily **grab my contact**, send me an e-mail, and give me a project for try. **Trust me, I will do my best to prove** that I am able to make the projects perfect.

After this we can discuss about the future, because **my final goal is to be your colleague** at the same office, at the same spot. **It is** much more **better to speak and think personally on projects**.

This portfolio contains only those projects, **what I made**. Realize, that I did the **illustrations**, the **3D models**, the **photos**, the **typography** and the **idea** also.

Enjoy the view, I hope you will like it, and soon we will talk. **Best wishes!**

SO MY PLAN IS TO BE THE
MEMBER OF YOUR
CREATIVE TEAM

This technical drawing shows the dimensions and angles for the text. The text is rendered in a bold, sans-serif font with a blue hatched fill and a black outline. The drawing includes numerous dimension lines and angles, such as 90°, 30°, and 26°. The overall width of the text is 44,592 units, and the height of the tallest letters is 17,500 units. The text is arranged in three lines: 'SO MY PLAN IS TO BE THE' (top line), 'MEMBER OF YOUR' (middle line), and 'CREATIVE TEAM' (bottom line). The drawing also shows the bounding box for the entire text block, which is 44,592 units wide and 17,500 units high.

WHY?

HOW?

SHOW ME WHAT YOU'VE GOT!

HOW DO I IMAGINE IT?

First of all, I would like to move into the city, where your office is located and then start to work with you. If you feel, that you are interesting about me, we can talk about the details.

If you are not sure, there is an other option. First we can work together on the web. In the 21th century we can already do a lot of thing without meeting each other.

Cooperating, design, brainstorming or talking. These tasks are already available thanks to the internet. Would you like to see how I work? Give me a chance to show you!

LET ME
SEE SOMETHING!

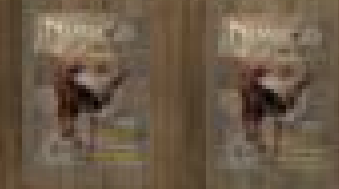

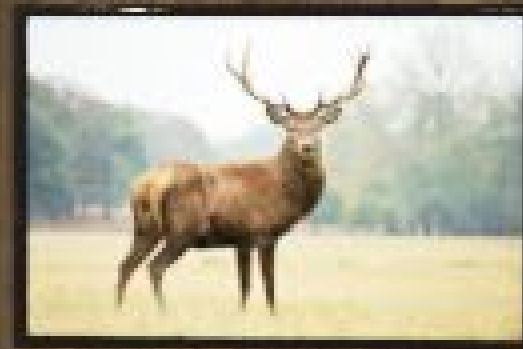

TRP.

WHY WOULD I WORK FOR YOU?

Because **I want to be more experienced** on the creative field and I think, that a new job on abroad could bring me a lot of new things. I don't want to feel me old after one or two year at the same workstation without **learning new things or feeling exciting the tasks**. I don't know everything about the design, but I still want to learn that! Be sure that **I will always do the best I can!**

**YOU'VE
GOT MY
INTEREST!**
